Thanks, Dave for responding so quickly. You won't be missing anything important as this kick off meeting will focus on the nuts and bolts of the contract. Either Helen or I will alert you if something important does arise.

I didn't include you at the beginning as I saw your role as policy and legal sides of the OR CZARA issue as well as the liaison to the senior managers in Ecology and EPA, the plaintiff and key forestry stakeholders (as your role as Forestry Lead).

I will cc you in the future, just so you know what is happening.

I am looking forward to the roles discussion later this month. I see my role as contracting officer representative for the funding (LiDAR and mapping work & external facilitation), OR CZARA Coordinator (track the settlement agreement dates/products, facilitate quarterly meetings with EPA, NOAA and ODEQ with goal of clarifying what needs to be done and the process to address problems/issues that arise). I also plan to review products, especially related to TMDLs but my comments will probably go through Jenny as the Oregon TMDL Program Manager or Helen as the Mid Coast TMDL project manager.

Helen did talk to me. I won't be able to participate but you should definitely go ahead without me. I'll be

focusing on the policy and legal sides of the OR CZARA issue. I do appreciate being kept in the loop. Speaking of keeping folks in the loop we have a major FOIA response to NWEA on OR CZARA going out this week. They asked for my documents, Bussell's, and Don Waye's (EPA HQ) from the last three years. Subject: OR LiDAR meeting

Hi Helen:

Were you able to speak with Dave on tomorrow's meeting at 1 PM on the OR LiDAR? Mostly we will be focusing on the specifics of the contract with special emphasis on the LiDAR. Do you know what he is most interested in? If he is especially interested in the mapping component, we can postpone that discussion.

Subject: Fw: Discuss roles on OR. Coastal Basin TMDL/CZARA settlement and ODEQ Coordination

I have proposed rescheduling this meeting for Wednesday August 24th from 10 - 11 AM, when it looks like everyone, including Dave Powers will be available. I am going to send out an invitation for this meeting, because Dave is on vacation right now and can't change the previous invitation. That will get it on your calendar....for those of us who use the electronic calendars.

Helen

Discuss roles on OR. Coastal Basin TMDL/CZARA settlement and ODEQ Coordination

Thu 08/25/2011 10:00 AM - 11:00 AM

Helen Rueda

Chair: David Croxton/R10/USEPA/US

Alan Henning/R10/USEPA/US@EPA, David Powers/R10/USEPA/US@EPA, Helen Rueda/R10/USEPA/US@EPA, Jayne Carlin/R10/USEPA/US@EPA, Jennifer Wu/R10/USEPA/US@EPA

With a lot of EPA players on this topic between heavy EPA involvement on the TMDL related work and need to track compliance with the CZARA settlement agreement, I wanted us all to get together and discuss each person's role and how we coordinate with ODEQ. thanks
